

Use the following terms and phrases to complete the concept map below.

- | | | |
|-----------------|--------------|-------------|
| animal cells | chloroplasts | flagella |
| cell membrane | cilia | plant cells |
| cell wall | cytoplasm | prokaryotes |
| central vacuole | eukaryotes | ribosomes |

ANSWER KEY

animal cells

chloroplasts

flagella

cell membrane

cilia

plant cells

cell wall

cytoplasm

prokaryotes

central vacuole

eukaryotes

ribosomes
